HEDERLE NURSERY CO.

Rochester 10 N. Y.

For the correct way to plant Evergreens select according to numbers indicated.

No. 1—Pyramidal Arbor-Vitae, American Arbor-Vitae, Irish Juniper.

No. 2—Pfitzer's Juniper, Savin Juniper.

No. 3—Mugho Pine, Globe Arbor-Vitae, Tom Thumb Arbor-Vitae.

Door-step Planting

Evergreens dignify the doorway entrance and at the same time establish a feeling of warmth and welcome so desirable at the entrance.

EVERGREENS

Beautify Your HOME

There is nothing that can quite take the place of Evergreens. In the summer their stately dignified grandeur adds serenity to the riot of colors in other vegetation, and in the snowy winter their cheerful freshness gives one a comforting promise in the bleak landscape, that spring will come.

These smaller types are most suitable for use in the foundation planting, near walks, drives and buildings

American Arbor-vitae

Mugho Pine

Globe and Pyramidal Arbor-vitae

Irish Juniper

Juniper Excelsa Stricta
Spiny Greek Juniper

Cannarti Juniper

Taxus Cuspidata

Hicks' Yew

Taxus Capitata

Juniper Horizontalis

Andorra Juniper
A low creeper of handsome color and form.

Gold Tip Arbor-vitae

Savin Juniper

Pfitzer Juniper

Juniperus Tamariscifolia

Juniperus Scopulorum

The larger types are most effective as specimens,
also for backgrounds, windbreaks and screening

Norway Spruce

An old-time favorite for wind-break and ornamental planting. Excellent for hedges, can be trimmed to any height. Preferred by many as a living Christmas tree.

Black Hills Spruce

A great favorite for single specimen planting on the lawn. Famed for its shapeliness.

Scotch Pine

Bold and handsome in youth or mature trees. Long shiny needles. Fine for a specimen lawn tree.

Canadian or American Hemlock

Young or old, the Hemlock is always a picture of gracefulness. Foliage dark green, lacy, close-set, drooping gracefully. The best Evergreen in heavy shade.

A Young White Pine

For Hedges We Suggest

LOW—*Globe Arbor-vitae*, *Taxus Cuspidata*, *Taxus Capitata*, *American Arbor-vitae*, *Spiny Greek Juniper*.

TALL—*Pyramidal Arbor-vitae*, *Hemlock*, *Norway Spruce*, *Taxus Capitata*, *American Arbor-vitae*, *Juniper Virginiana*, *Glauca*, *Hicks' Yew*.

Austrian Pine

A favorite for ornamental planting, either in the background, or as a choice specimen on the lawn. Invaluable as a windbreak.

Colorado Blue Spruce

A very desirable, well shaped Evergreen. Heavy foliage of a rich glistening blue which flashes and sparkles in the sunlight. A beauty for the lawn.

Sheared Taxus Hedge
